

YEAR 12 PROGRESS REPORT JULY 2019

Glyn
School

NAME FORM

July 2019

Dear PARENT NAMES

I have the pleasure of enclosing Name's final report for Year 12 at Glyn.

This Progress Report consists of feedback from each of NAME's subject teachers on classwork, independent learning, behaviour and overall commitment, which are reported on an individual teacher basis. An explanation of the performance indicators used are included with the report.

For each subject there is a teachers Target Grade which is generated from attainment at GCSE.

The Current Grade represents the student's performance at this point of the course, against end of course assessment criteria. The Teacher Predicted Grade represents the most likely grade the student will obtain at the end of the A Level course, based on internally assessed performance, controlled assessment or coursework and the teacher's professional judgement.

If you have any concerns regarding Name's report or any aspects of her work, please contact me via e.clare@glynschool.org.

Yours sincerely

Miss E Clare
Head of Year 12
